ABOUT US

Kait Sweeney serves Hawai'i Island as a Licensed Massage Therapist and Birth & Postpartum Doula. She is passionate about the emotional & physical power of body work and is committed to providing a comforting, therapeutic environment for her clients to heal & relax.

All of our products are organic and when possible, locally sourced. Many products are grown & crafted by Kait herself.

For couples + group massages, Kait coordinates with other professional, talented, and joyful therapists so your whole group can receive massages simultaneously. We value confidentiality for our clients and look forward to arranging a personalized, memorable spa experience for you & your 'ohana.
